## [ABOUT LOCKS FOR LOCALS

Locks for Locals started in 2017, as our way of building a community within our four walls and giving back to the community that supports us. This program has grown to embody what we value most: Community. Supporting Local. Giving Back. We now use this program to highlight local products in a specialty cocktail we feature to raise money for a rotating local charity, chosen by a community member. Each time the cocktails is sold, it comes with a lock to hang, as well as a donation from us to our lock fund. By supporting Locks for Locals, you are supporting local businesses, local non-profits, and each other.

Want to choose our next local charity? Follow us on Instagram @thebroadwaysouthboston & look out for our next locks for locals cocktail!
