## [ABOUT LOCKS FOR LOCALS 🔒]

Locks for Locals started in 2017, as our way of building a community within our four walls and giving back to the community that supports us. As we've grown over the years, this program has evolved and grown with us to embody what we value most: Community. Supporting Local. Giving Back. We now use this program to highlight local products in a specialty cocktail we feature to raise money for a rotating local charity, chosen by a community member. Each time the cocktail is sold, it comes with a lock to hang, as well as a donation from us to our lock fund.

By supporting Locks for Locals, you are supporting local businesses, local non-profits, and each other by supporting the causes that are important to each of you through hand crafted cocktails.

Want to choose our next local charity? Follow us on Instagram @thebroadwaysouthboston & look out for our next locks for locals cocktail!
