ABOUT LOCKS FOR LOCALS

Locks for Locals started in 2017, as our way of building a community within our four walls and giving back to the community that supports us. We highlight local products in a specialty cocktail to raise money for a rotating local charity, chosen by a community member. Each time the cocktails is sold, it comes with a lock to hang, as well as a donation from us to our lock fund. By supporting Locks for Locals, you are supporting local businesses, local non-profits, and each other.
